Sacred Heart Youth Ministry

Hi everyone! Hope you're looking forward to the beginning of the school year as much as I am!

A few things to keep in mind:

High School LiGHT Keepers: Remember we do **NOT** meet August 22. We will be back to our regular schedule next week, August 29. See you at 6:00pm NEXT week!

Youth Ministry leaders from all committees: Next Monday, August 30, is our kick-off organizational and brainstorming meeting for the year. Any adults/young adults involved or interested in helping with the Youth Ministry program are invited; please feel free to invite people! We'll meet from 7:00-8:30pm in the Youth Center (in the basement of the Parish Center). I'll provide snacks.

Middle school EDGE parents: We will have a brief but important meeting on Wednesday, September 1 from 7:00-8:00pm in the gym. It's the first day of school and it's fair week so I know your time is precious. We will be organized, efficient, and effective so we are able to cover all the topics in that hour. Thank you!

Our next **Family Mass** is Sunday, September 6, at 10:00am. Because it is over the Labor Day weekend, the theme for this Mass is "the dignity of work and workers." Families of all ages are encouraged to participate as lectors, musicians, ushers, greeters, and gift-bearers. If you are interested, please call me at 526-4108 or Ms. Kunding at Sacred Heart School at 526-5328 by Thursday, September 1.

Today is the feast of the Queenship of Mary! We remember that Mary, humble and courageous, was crowned Queen of Heaven. We're so lucky to have her example to lead us to Jesus! Mary, *Regina Caeli*, pray for us!

Green Bay Marriage Encounter

Looking for a weekend away, for just the two of you?

A Marriage Encounter Weekend offers you this experience. It's a time to renew your relationship away from the everyday distraction of life. It's an opportunity to strengthen your communication and promote greater intimacy in your life together. You don't need a Marriage Encounter Weekend, but you **DESERVE** one. "Discover Each Other Again", more deeply, honestly, and warmly.

The fall schedule offers a weekend at Elizabeth Ministries in Kaukauna, WI on September 25-26, or at the Norbertine Center for Spirituality in De Pere, WI on November 5-7.

For more information and to obtain an informational brochure, contact Sue & Dennis Amtmann at 920-544-5166 or visit the website at www.gbme.org.

Sacred Heart Catholic School

Sacred Heart Catholic School will be open for the 129th year! That is a wonderful tribute to the parishioners of Sacred Heart Catholic School and your belief in Catholic education! Thank you!

This year Sacred Heart Catholic School is emphasizing and giving our students and families tools to deal with the challenges of today's society. Throughout the school year there will be programs focusing on these tools. Below is an excerpt from Ruth Fett's Parent Newsletter. Ms. Fett is a counselor who specializes in helping parents. Below is one of her Parent Tips dealing with "Discipline vs. Punishment".

"The words discipline and punishment are often used interchangeably. However, knowing the difference and applying it to your parenting right now could make a huge difference in the path your relationship with your child could follow. Punishment is the act of imposing an unpleasant consequence on a child, usually justified by the fact that we are "teaching them a lesson". Recently I heard a parent state that they had been told if they wanted their children to behave they needed to find the "child's currency". In other words, find out what matters most to your child and use it to hurt them when they behave in an unacceptable manner; thus, teaching them who has more power and coercing them into behaving. The problem with this is that you get what you give. When we teach that we get our way by hurting them, they learn that they must hurt others to get their way. It also opens the door for full-blown power struggles when the child ceases to care about the "currency" you are currently holding over their heads. This constant source of power struggles will exhaust you and leave the child with low self-esteem.

Discipline on the other hand is about teaching children appropriate behavior and helping them to become independent and responsible children. The goal of discipline is to empower the child with helpful information of what you **DO** want them to do. Discipline uses positively stated commands like, "couches are for sitting on" and "inside voices" to teach children the behavior you expect from them. Discipline allows consequences, both logical and natural, to be the teachers, thus making it more likely the child will internalize the lesson. Once lessons are internalized, the child becomes more self-guiding, eliminating the need for power struggles.

Ruth Fett will be speaking to the parents of Sacred Heart Catholic School on Tuesday, October 7, starting at 7:00pm. All families are welcome to attend.

Sacred Heart Catholic School, your parish school, is **accredited** by Wisconsin Religious and Independent School Accreditation. We meet the highest standards to assure our students the highest quality education.

**As always, we are educating our students to witness for themselves and others
the Sacred Heart of Jesus.**

Sacred Heart Religious Education

Hi there!

Now that the Chris Padgett event is over, the next major event in religious education is registration! **Registration will take place on Wednesday, August 25 from 5:30-8:00pm in the Sacred Heart gym.** Come when you are able during that time and get all the information you need for your child's education with us this year including schedules, handbooks, and more. Tuition prices are discounted for those who pay before September 1, so why not make it easy and pay on registration day?

If there are any high schoolers out there who need **service hours** or just plain want to be helpful, I have an opportunity for you. We need you to help with elementary religious ed. from 3:30-5:00pm on Wednesdays, not teaching classes, just assisting the teacher and hanging out with awesome gradeschoolers. If you are interested in this or want more information, please contact me!

As always, I need catechists. I have a **serious** need for high school catechists. Without teachers it is difficult to run a high school program, so if you are considering helping but are on the fence, please know that we need you! High school classes do not meet every week, they meet in 3-week blocks and you can choose the course topic and time of year you would like to teach them. Contact me if you are able to help.

Lastly, everyone should be thinking about **RCIA**. If you know of anyone who needs and wants to join the Catholic Church, please let me know so we can get the ball rolling for the program.

Joyfully in Christ,

Mindy
