

Home and School will be having a **fish fry** on February 24 from 4:30-7:30 in the school cafeteria. Cost is \$9 per adult and \$4 per child age 10 and under. Carry-outs will be available.

As you look at the **Bishop's Appeal for 2012**, I urge you to be generous. The school in particular, but also the parish, receive a number of services from the Diocese that help us be better. These services would not be possible without the support of the Bishop's Appeal. In general, I encourage all of us to look at our giving. Our parish and school do a lot with the resources you provide us and any extra resources you could give will be appreciated.

As I was driving up to Camp U to stay with the 7th grade students, I was listening to another Matthew Kelly CD about the **Joy of Being Catholic**. In that CD he issued two challenges that can help you become all God wants you to be. The first, spend 10 minutes per day in the classroom of silence. Just stop, close your eyes and let your innermost thoughts roll through your head and to God. We are going to try something similar at school during Lent, although we will work up to the 10 minutes per day. The second challenge is to attend daily Mass. Just one Mass per week if you are able. You can join the school students on Wednesdays, Thursdays or Fridays at 8:30am. I hope to see more of you there.

We are now taking **registrations** for the 4K and 5K programs for the 2012-13 school year. Letters have been sent to all parish families that we know of who have children in that age range. If you have not received one, information is on the website.

For families with older children entering grades 1-8, we would welcome you into our school family as well. If you would like more information about the school, please contact me.

Check out Sacred Heart Catholic School on the web or in person. We have been serving the educational needs of the community for 130 years with a message that has withstood the test of time.
