Below is a link to an article from the *Appleton Post Crescent* describing the *Advancing the Mission* campaign. In addition to the article, this web page has a green box on the right side of the screen which includes an additional link entitled, "Q&A: Departing bishop lauds people of diocese." Both of the articles are informative and enjoyable.

For those parishes who have received this newsletter as a PDF, this link has been included in the body of the originalemail.

STEWARDSHIP OF TIME AND TALENT

Your thoughts and experiences

"I thought the message on stewardship of talent this [past] week was fabulous... At St. James we did a stewardship of service sign up where we asked people to check what their hobbies or interests were—can you decorate, do you sew, do woodworking, like to landscape, etc. Then we translated these interests on how they could be helpful at the church. We felt people would be more willing to offer their time if it was something they enjoyed doing. Our pool of volunteers increased, and we are still benefiting from this survey."

Jean Schleis
St. James Parish, Cooperstown

STEWARDSHIP THOUGHT FOR THE WEEK:

Stewardship opens an avenue of thought that allows us to give without always questioning what we will get in return. Every one of us is talented in some way; stewardship encourages us to use any talent we have to benefit another individual, the Church or our community.

*"How can I repay the Lord
for all good done for me?"*

Psalms 116:12

"We are just in the 'finding the callers' stage of the game. However, our prayer team and stewardship team have taken off with the mission of Jesus. We are creating a phone prayer chain, an email prayer chain, and are looking to involve more people in the parish with social justice concerns.

"The notes from our Advancing the Mission meetings are printed for the parish to read in the bulletin. We want to keep people in the loop."

Pat Coonen
St. Edward Parish, Mackville
