Thank you to all of the current and future Print Communication Teams.

THE GENTLE TEACHER

Excerpt from *Moments of Peace for the Evening*

It is not your responsibility to make sure people act a certain way. People must choose to honor God on their own—you cannot compel them to do it.

However, you can be a good influence—your words and example can sway them in a constructive manner. Of course, attaining just the right mix of compassion and instruction may seem challenging to you. How can someone ever know just the right thing to say? Being prepared, by always listening to God, allows Him to work in and through you. He tempers your words and attitude. And He gives you the patience and wisdom you need.

Many of you are leaders in the *Advancing the Mission* campaign. Your willingness to work with the campaign has been tremendous.

You, along with the Pastors and Parish Directors, have been the *Gentle Teachers* as you took on roles of leadership in your parishes. You have encouraged others to become involved at various levels to help complete the many projects needed for a successful campaign.

Your influence and example speaks volumes to those around you. Thank you for being a gentle teacher!
