

# ADVANCING THE MISSION

12/11/2007

## CATHOLIC FOUNDATION

### Leadership Development

#### Part I: The Intent of This Endowment

The more leaders who serve a parish, the stronger that parish will be. The development of these leaders takes many forms. Some of them you might expect, such as working to ordain and educate priests and deacons. Some you may not expect, such as the training of pastoral associates, parish business managers, and liturgical coordinators. Although more “behind the scenes”, it is imperative to a parish to have qualified individuals holding these positions for their duties impact many aspects of parish life. Your parish needs your active support in finding, encouraging and supporting leaders of every type.

In supporting the various ministries of the Church, we ensure that those called can serve, share and strengthen their talents for the growth of our faith.

## STORIES FROM ST. JOHN, GILLETT

There are rumblings down below, tiny bubbles are starting to rise from the bottom, the pot is starting to boil, the Holy Spirit is stirring here at St John’s in Gillett. This is just one man’s witness, their may be more, I pray there is.

While making a phone call list for *Advancing the Mission*, I was checking with a parishioner about details of his address information and in the conversation he mentioned how he would like to become an Adult Server at Mass. He was not sure if he still remembered how from the days of his youth, Mass has changed a lot. We, on the committee, had talked about Adult Servers but hadn’t approached any one yet. I told Jim I would get back to him about his offer.

At Mass the next Sunday I saw Ron, a reader at Mass, and a Server. I thought maybe Ron would like to teach Jim how to serve at Mass. After Mass I approached Ron and put the question to him about becoming a teacher and he readily agreed, in fact, he had just approached Fr. Joe about that stewardship opportunity.

Another request: Marcia and Rachel, Hailey and Alicia all approached me about a food drive for the local food pantry and a Christmas Giving Tree. The Spirit at work.

Many parishes are encouraged by the leadership that has come forward through the *Advancing the Mission* campaign; ordinary people, seeing a need, offering services.

Thank you!
